

BCMCA Marine Atlas of Pacific Canada

Ecological atlas pages

1. Ecological – Feature Count

Marine Birds

2. American Wigeon Winter Surveys
3. Ancient Murrelet Colonies
4. Ancient Murrelet Winter Surveys
5. At-sea Density of Listed Marine Birds
6. At-sea Density of Marbled Murrelet
7. At-sea Density of Marine Birds
8. At-sea Marine Bird Species Richness
9. Bald Eagle Winter Surveys
10. Barrow's Goldeneye Winter Surveys
11. Black Oystercatcher Breeding sites
12. Blue-winged Teal and Northern Shoveler Winter Surveys
13. Bonaparte's Gull Autumn Surveys
14. Bonaparte's Gull Spring Surveys
15. Brandt's Cormorant Colonies
16. Brandt's Cormorant Winter Surveys
17. Brant Spring Staging Areas
18. Brant Winter Surveys
19. Bufflehead
20. California Gull Winter Surveys
21. Canada Goose
22. Cassin's Auklet Colonies
23. Cassin's Auklet Foraging Density
24. Common Goldeneye Winter Surveys
25. Common Loon winter surveys
26. Common Merganser
27. Common Murre Colonies
28. Common Murre Winter Surveys
29. Double-crested Cormorant Colonies
30. Double Crested Cormorant Winter Surveys
31. Eurasian Wigeon Winter Surveys
32. Gadwall Winter Surveys
33. Glaucous-winged Gull Colonies
34. Glaucous-winged Gull Winter Surveys
35. Great Blue Heron Nests and Foraging Areas
36. Great Blue Heron Winter Surveys
37. Green-winged Teal Winter Surveys
38. Harlequin Duck Moulting Season Surveys
39. Harlequin Duck Spring Staging Surveys
40. Harlequin Duck Winter Surveys
41. Herring Gull Winter Surveys
42. Hooded Merganser
43. Horned Grebe
44. Horned Puffin Colonies
45. Long-tailed Duck Winter Surveys
46. Mallard Winter Surveys
47. Marbled Murrelet Winter Surveys
48. Marine Birds Survey Effort
49. Mew Gull Winter Surveys
50. Northern Pintail Winter Surveys
51. Pacific Loon Winter Surveys
52. Pelagic Cormorant
53. Pelagic Cormorant Colonies
54. Pigeon Guillemot Colonies
55. Red-breasted Merganser
56. Red-necked Grebe
57. Red-throated Loon Winter Surveys
58. Rhinoceros Auklet Colonies
59. Rhinoceros Auklet Foraging Density
60. Sandhill Crane Nests and Observations
61. Scaup Species Winter Surveys
62. Scoter Species Pre-migration Staging Surveys
63. Scoter Species Winter Surveys
64. Semipalmated Plover Nests
65. Shorebird Staging Areas - Flat
66. Shorebird Staging Areas - Rocky
67. Storm Petrel Colonies
68. Thayer's Gull Winter Surveys
69. Thick-billed Murre Colonies
70. Trumpeter Swan Winter Surveys
71. Tufted Puffin Colonies
72. Tundra Swan Winter Surveys
73. Western Grebe
74. Marine Birds - Feature Count

Fish

1. Basking Sharks
2. Habitat Based Estimates of Salmon Productivity
3. Herring Spawn – Cumulative Habitat Index

Fish and Invertebrates

1. Groundfish Fishery Observer Data - Mean CPUE, January 2004 - February 2010
2. Groundfish Fishery Observer Data – Species Richness, January 2004 - February 2010
3. Groundfish Trawl Survey Areas and Untrawlable Areas
4. Groundfish Trawl Survey Observed Catch Density – 2003
5. Groundfish Trawl Survey Observed Catch Density – 2004
6. Groundfish Trawl Survey Observed Catch Density – 2005
7. Groundfish Trawl Survey Observed Catch Density – 2006
8. Groundfish Trawl Survey Observed Catch Density – 2007
9. Groundfish Trawl Survey Observed Catch Density – 2008
10. Groundfish Trawl Survey Observed Catch Density – 2009
11. Groundfish Trawl Survey Species Richness – 2003
12. Groundfish Trawl Survey Species Richness – 2004
13. Groundfish Trawl Survey Species Richness – 2005
14. Groundfish Trawl Survey Species Richness – 2006
15. Groundfish Trawl Survey Species Richness – 2007
16. Groundfish Trawl Survey Species Richness – 2008
17. Groundfish Trawl Survey Species Richness – 2009
18. IPHC Standardized Stock Assessment Survey Stations – Observed Catch – 2003
19. IPHC Standardized Stock Assessment Survey Stations – Observed Catch – 2004
20. IPHC Standardized Stock Assessment Survey Stations – Observed Catch – 2005
21. IPHC Standardized Stock Assessment Survey Stations – Observed Catch – 2006
22. IPHC Standardized Stock Assessment Survey Stations – Observed Catch – 2007
23. IPHC Standardized Stock Assessment Survey Stations – Observed Catch – 2008
24. IPHC Standardized Stock Assessment Survey Stations – Observed Catch – 2009
25. Shrimp Trawl Survey Observed Catch Density - 2004
26. Shrimp Trawl Survey Observed Catch Density - 2005
27. Shrimp Trawl Survey Observed Catch Density - 2006
28. Shrimp Trawl Survey Observed Catch Density - 2007
29. Shrimp Trawl Survey Observed Catch Density - 2008
30. Shrimp Trawl Survey Observed Catch Density – 2009
31. Shrimp Trawl Survey Species Richness – 2004
32. Shrimp Trawl Survey Species Richness – 2005
33. Shrimp Trawl Survey Species Richness – 2006
34. Shrimp Trawl Survey Species Richness – 2007
35. Shrimp Trawl Survey Species Richness – 2008
36. Shrimp Trawl Survey Species Richness – 2009
37. Shrimp Trawl Survey Areas
38. Fish and Invertebrates - Feature Count

Invertebrates

1. Corals Occurrences I - Groundfish Trawl Surveys
2. Coral Occurrences II - Trawl Fishery Observer Data
3. Important Invertebrate Habitat 1 - Rock Platform
4. Important Invertebrate Habitat 2 - Rock Substrate with High Current
5. Important Invertebrate Habitat 3 – Sandy Substrate
6. Important Invertebrate Habitat 4 - Mudflats Adjacent to Estuaries
7. Selected Corals and Sponges
8. Selected Echinoderms and Segmented Worms
9. Selected Molluscs and Crustaceans
10. Sponges Occurrences I - Groundfish Trawl Surveys

11. Sponge Occurrences II - Trawl Fishery Observer Data
12. Sponge Reefs

Marine Mammals

1. California Sea Lion - Haulouts
2. Chlorophyll (habitat surrogate)
3. Dall's Porpoise - Distribution
4. Elephant Seal - Distribution
5. Fin Whale - Distribution
6. Harbour Porpoise - Distribution
7. Harbour Seal - Distribution
8. Harbour Seal - Haulouts
9. Humpback Whale - Distribution
10. Minke Whale - Distribution
11. Northern and Southern Resident Killer Whales - Critical Habitat
12. Northern Fur Seal - Pup Habitat
13. Northern Resident Killer Whale - Distribution
14. Pacific White Sided Dolphin - Distribution
15. Sea Otter – Distribution
16. Sea Otter – Habitat and Range
17. Steller Sea Lion - Distribution
18. Steller Sea Lion - Haulouts and Rookeries
19. Marine Mammals - Feature Count

Physical Representation

1. Benthic Classes
2. Coastal Classes
3. Ecosections
4. High Rugosity
5. Hydrothermal Vents
6. Oceanographic Regions
7. Seamounts
8. Shorezone Exposure
9. Tidal Current
10. Physical Representation - Feature Count

Marine Plants

1. Bull Kelp
2. Bull Kelp Bioband
3. Ditch-grass (*Ruppia spp*)
4. Dune Vegetation
5. Eelgrass
6. Eelgrass Bioband
7. Estuaries
8. Feather Boa Kelp (*Egregia menziesii*)
9. General Kelp

10. Giant Kelp
11. Giant Kelp Bioband
12. Giant Perennial Kelp (*Macrocystis pyrifera*)
13. Important Algae Habitat 1 - Boulder/Cobble Floor
14. Important Algae Habitat 2 - Rocky Intertidal Substrate, Protected or Very Protected Exposure Classes
15. Important Algae Habitat 3 - Rocky Intertidal Substrate, Semi-Exposed or Semi-Protected Exposure Classes
16. Important Algae Habitat 4 - Rocky Intertidal Substrate, Exposed or Very Exposed Exposure Classes
17. Important Algae Habitat 5 – Mudflats and Estuarine Shorelines
18. Priority Eelgrass Habitat
19. Rare Algae 1 - *Arthrocardia silvae*, *Codium ritteri*, *Cystoseira spp.*, *Desmarestia tortuosa*
20. Rare Algae 2 - *Antithamnion kylinii*, *Dictyoneuropsis spp.*, *Eisenia arborea*, *Hollenbergia nigricans*
21. Rare Algae 3 - *Laminaria spp.*, *Postelsia spp.*; *Rhodolith spp.*
22. Rare Algae 4 - *Pterygophora spp.*, *Thuretellopsis peggiana*, *Tayloriella spp.*
23. Rare Algae 5 - *Phycodrys riggii*, *Lithothrix spp.*, *Tokidaea chilkatensis*, *Whidbeyella cartilaginea*
24. Salt Marsh (*Salicornia*) Bioband
25. Surfgrass Bioband
26. Marine Plants - Feature Count

Human Use atlas pages

Commercial Fisheries

1. Dungeness Crab
2. Geoduck
3. Krill
4. Humpback Shrimp
5. Pink Shrimp
6. Sidestripe Shrimp
7. Prawn
8. Sea Cucumber
9. Green Sea Urchin
10. Red Sea Urchin
11. Shrimp Trawl
12. Groundfish Trawl
13. Rockfish Hook and Line (ZN)

14. Schedule II
15. Halibut
16. Sablefish (longline)
17. Sablefish (trap)
18. Herring Roe (gillnet)
19. Herring Roe (seine)
20. Sardines
21. Chinook Salmon (gillnet)
22. Chinook Salmon (seine)
23. Chinook Salmon (troll)
24. Chum Salmon (gillnet)
25. Chum Salmon (seine)
26. Chum Salmon (troll)
27. Coho Salmon (gillnet)
28. Coho Salmon (seine)
29. Coho Salmon (troll)
30. Pink Salmon (gillnet)
31. Pink Salmon (seine)
32. Pink Salmon (troll)
33. Sockeye Salmon (gillnet)
34. Sockeye Salmon (seine)
35. Sockeye Salmon (troll)
36. Commercial Fishing - Feature Count

Ocean Energy

1. Offshore Petroleum Tenures and Exploratory Wells
2. Oil and Gas Prospectivity
3. Renewable Energy Tenures and Transmission Line Tenures
4. Tidal Energy Areas of Interest (showing Tidal Current Power Potential)
5. Wave Energy Areas of Interest
6. Wave Power Potential
7. Wind Energy Potential
8. Ocean Energy - Feature Count

Shipping and Transportation

1. Ferry Routes and Terminals
2. Carrier Vessel Density Summer 2007
3. Carrier Vessel Density Winter 2007
4. Cruise Vessel Density Summer 2007
5. Cruise Vessel Density Winter 2007
6. Fishing Vessel Density Summer 2007
7. Fishing Vessel Density Winter 2007
8. Tanker Vessel Density Summer 2007 (with Tanker Exclusion Zone)
9. Tanker Vessel Density Winter 2007 (with Tanker Exclusion Zone)
10. Tug Vessel Density Summer 2007
11. Tug Vessel Density Winter 2007
12. Tow Boat Reserves

13. Shipping and Transportation - Feature Count

Sport Fishing

1. Anadromous Fish
2. Crab
3. Groundfish
4. Prawn and Shrimp
5. Sport Fishing - Feature Count

Tenures

1. Aquaculture
2. Log Handling & Storage
3. Residential Marine
4. Commercial & Industrial Uses
5. Utilities
6. Tenures - Feature Count

Tourism and Recreation

1. Anchorages
2. Coastal Campsites and Kayak Use Sites
3. Commercial Recreation Tenures
4. Environmental Tenures
5. Marinas and Coastal Facilities
6. Protected Areas
7. Recreational Boating Routes
8. Sea Kayaking Routes
9. Scuba Dive Sites
10. Tourism and Recreation - Feature Count
